BARNARD MEADOW SURVEY

A survey questionnaire was delivered to all households in the Parish in October/November 2023, asking for responses from the community for the future use of the land known as Barnard Meadow.

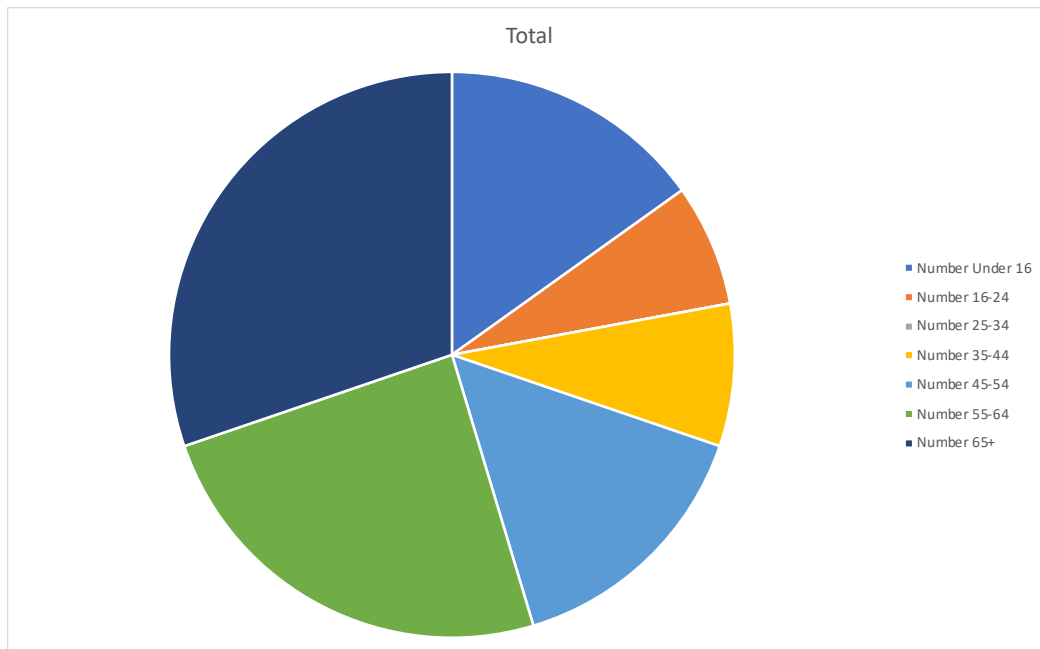

We had a 28% response with some valuable and interesting input and, importantly, offers of community help and support. Thanks to all who responded.

The results were analysed and are shown overleaf. They will also be on our website hilcotevillagehall.uk

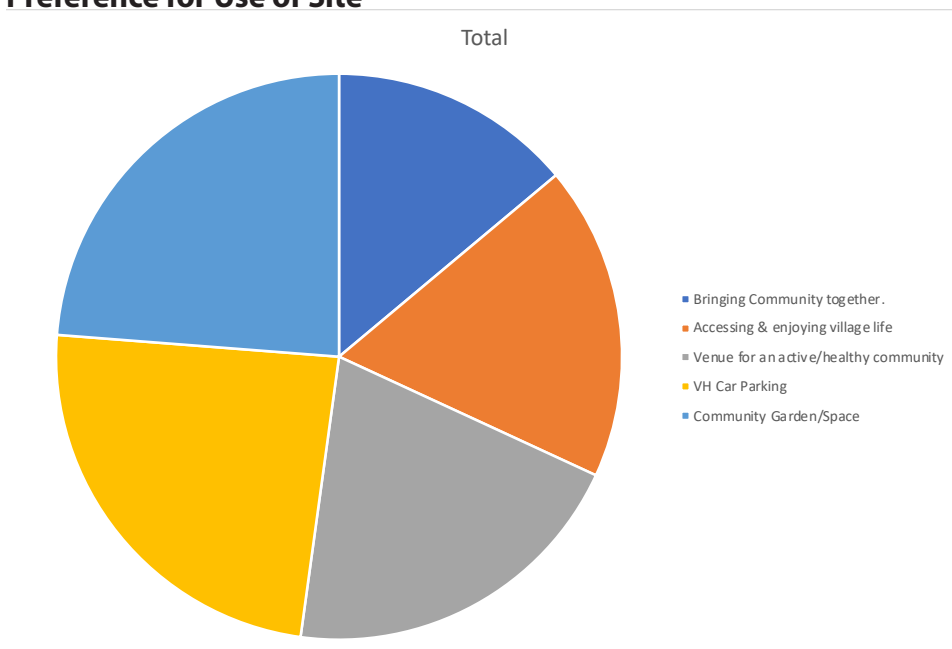

Any comments and feedback would be welcome by email to hilcotevillagehall@gmail.com or to our postbox at the hall site in Hilcote.
