

Hilcott Village Hall Trust

To: All North Newnton Parishioners

July 2022

Exciting news!

Herewith is a link to our new website: <https://www.hilcottvillagehall.uk>

You will see updates on progress on Barnard Meadow and the Village Hall projects and we would really appreciate your feedback on the contact form or to hilcottvillagehall@gmail.com

Also...a school holiday project for the children (16 and under)

An invite to the children of the Parish of North Newnton to influence the interior design of our new village hall which will have two areas above the inner entrance door and at the opposite end of the hall area. We believe that this would be a wonderful opportunity to incorporate an art form based on the artworks of the children of the Parish

We invite them to draw, sketch or paint what living in North Newnton, Hilcott and Bottlesford means to them. It may be a memory, thought, experience, cartoon, view or future expectation. The finished creation will be recognised as having been based upon the thoughts and aspirations of the children of our Parish.

Paper sized 45cm x 100cm will be provided.

Please email Mac at macjmclean@gmail.com for more information

Also...Advance notice of our ever popular Quiz Night – Saturday 29 October at Rushall & Charlton Village Hall. Put it in your calendar!

Kind Regards from the
